Education

Art Institute of Portland | 2008-2011
Web Design & Interactive Media

Experience

DemandPDX | 2014

Essential member of ecommerce specific consultation and development agency. Roles include project management, strategy, development, QA, design, and documentation.

Columbia Sportswear | 2011 - 2014

Web Developer II. Worked within a local team in conjunction with multiple offsite teams and vendors. Built and maintained ecommerce sites and components for four different brands across 5 languages and 20+ countries.

Owen Spencer Design & Development | 2010 - Current

Owner and operator. Web design, development, and digital presence strategist. Worked with a variety of companies ranging from small local establishments all the way up to household name, global companies.

Resnick Sustainability Institute | 2012-2013

Lead developer and design consultant for the school's responsive site that houses an extensive amount of information. Responsible for maintaining the project schedule.

Icebreaker | 2011

Design and development of business to business splash page with social media integration.

InVisible Light | 2010-2011

WordPress customizing, brand consulting, and micro-site design & development. This client required custom editing of an already established WordPress theme for their company blog. More recently, I designed and developed a micro-site that integrates Google Checkout as a tool to sell workshop reservations.
